## Workers for the Kingdom

St Teresa of Avila, a Spanish Carmelite nun (1518- 1582), while reflecting on the Christian life once wrote..

*“ Christ has no hands in the world today ... He has only our hands to do his work. He has no feet... He has only our feet to guide men and women along His path. Christ has no lips... He has only our lips to announce Him to the people of today. Christ has no means ... He has only our help to lead people to Himself. We are the only Bible that people will read. We are the last message of God written in words and deeds”.* We are ‘workers for the Kingdom’.

**Pope Leo** on his first day as **Pope** said the following *“We want to be a **sydodal Church**, a Church that moves forward, a Church that always seeks peace, that always seeks charity, that always seeks to be close above all to those who are suffering”.*
