Happy Mother's Day

Thank you Mum

Thank you for all the times
You picked me up when I fell down
Thank you for making me smile
When all I'd do is frown
Thank you for the simple things
Like tucking me into bed
When you had other things to do
You put me first instead
Thank you for always listening
When I would like to moan
And for never getting angry
When you had problems of your own
Thank you for always guiding me
So I know whats right from wrong
I could have me a **thank you** list
But it would have been too long
You're everything I want to be
In a world that can be tough
I could say **thank you** endlessly
But that would still not be enough.
